

FUNDRAISING IDEAS

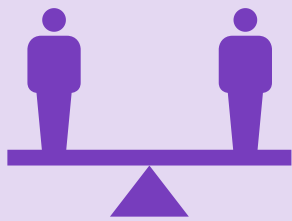

DONATE YOUR MORNING COFFEE

Ask people to forego their daily coffee just once and donate the money they would have spent to your chosen cause instead.

CHARITY QUIZ

Host a quiz and charge a donation for each team entry. You can download quizzes online, and if you can't get everyone together, you can use Zoom or Microsoft Teams to run it as a virtual quiz instead.

MATCHED DONATIONS

Does your company have a matched donation scheme? Many organisations will match what you raise up to a certain amount, so make sure you let HR or your community representative know about your fundraising efforts.

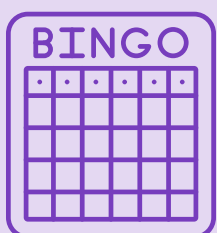

CHARITY DINNER PARTY

Host your own Come Dine with Me tournament, charging your guests to taste your culinary delights.

RAFFLE OF PROMISES

Ask around your colleagues to see what prizes can be raffled. Prizes needn't be physical, you could auction off promises e.g. A promise to make an epic hot chocolate for someone everyday for a week.

BINGO NIGHT

Everyone loves bingo! Set up a bingo night for employees and their plus one. Everyone pays a small donation at the door for each bingo card received.
