

How to promote your service through Stockport Council

Stockport Directory

The Stockport directory is a database of all the third sector services and groups available to local residents. To add your group or organisation to the database visit www.stockport.gov.uk/groups and input details of your service.

Events Calendar

Visit www.stockport.gov.uk/events follow the steps to add your event. The council promote the events calendar through their public channels

Stockport Review Extra newsletter and social media

For any news items email communications@stockport.gov.uk with a press release or details of the news for consideration plus a photo for inclusion in the Stockport Review Extra or social media.

The council are particularly interested in human interest stories and partnerships.
