

# ONE STOCKPORT

## VCFSE Board Representative Volunteer

One Safer Stockport Partnership

**Sector3**

**STOCKPORT**  
METROPOLITAN BOROUGH COUNCIL

# About this role

Join the One Safer Stockport Partnership (OSSP) Board as a VCFSE Representative

The One Safer Stockport Partnership is committed to empowering our vibrant VCFSE (Voluntary, Community, Faith-based & Social Enterprise) partners to shape and influence our policies, strategies and services.

As part of this commitment we are looking to expand representation on our One Safer Stockport Partnership Board. The Partnership is a statutory body which includes a range of organisations that have a shared goal to reduce crime, anti-social behaviour, re-offending and substance misuse and to protect vulnerable Stockport residents.

You can read more about the Partnership's priorities in the One Safer Stockport Partnership Plan, attached

Please note, this role is a voluntary position.

# About this role

We are seeking a dedicated advocate for community safety and wellbeing with experience of working in the VCFSE Sector. Your role will be to represent the views and interests of the VCFSE Sector as a whole, so a broad and up to date understanding of the sector and community safety issues is a must.

This is an **unpaid role** which offers an opportunity to have a positive impact on strategic and operational decisions affecting the safety of our communities as an integral part of the OSSP Board.

As a VCFSE representative on the OSSP Board, you'll have a vital role in shaping our strategies, priorities, and initiatives. Your perspective will help ensure that the diverse needs and concerns of our community are heard, considered, and integrated into our decision-making process. By collaborating with various partners, you will contribute to the overall wellbeing of Stockport residents.

# Key Responsibilities

- Commitment to attend OSSP Board meetings and other meetings and events as appropriate
- Representing the interests, perspectives and knowledge of the VCFSE sector within the OSSP framework
- Collaborating with other Board members to develop and implement community safety strategies
- Providing input on policies, initiatives, and actions that address crime and disorder
- Raising awareness of issues affecting vulnerable individuals in the community
- Engaging with the wider VCFSE community to gather insights and feedback
- Participating actively in board meetings to discuss and influence key decisions

# Experience & Skills

**Our ideal VCFSE representative on the OSSP is someone who can demonstrate:**

- A strong understanding of community safety issues and how they impact on the wellbeing of Stockport residents
- Experience and understanding of the voluntary, community, faith, and social enterprise sector, ideally in a community safety capacity
- Excellent communication, networking, and collaboration skills
- A passion for inclusivity and an ability to represent diverse community perspectives
- Knowledge of local challenges and opportunities related to safety and wellbeing
- Experience of communicating at a senior level and in a multi-disciplinary setting is advantageous

## **Benefits:**

This is an opportunity to share your expertise, experience and knowledge in order to:

- Make a tangible impact on community safety and wellbeing in Stockport
- Collaborate with a diverse group of leaders, professionals, and advocates
- Contribute to policies and strategies that directly affect the VCFSE sector
- Enhance your leadership skills and expand your professional network
- Play a role in shaping the direction of the One Stockport Safer Partnership

# How to apply

Please submit your resume and a cover letter detailing your relevant experience and knowledge and why you would like to be considered for this role.
