

Stockport Rocks!

Volunteer Awards Celebration 2024

Community Trust

STOCKPORT
METROPOLITAN BOROUGH COUNCIL

Stockport Rocks! - Sponsorship Package

Stockport has over 57,000 volunteers* who give over 213,000 hours a week, valued at an incredible £105 million a year. They play a vital role in supporting people to live healthier and happier lives.

As a thank you for their dedication, we want to celebrate our volunteers at Stockport's first Volunteer Awards Ceremony in over ten years - Stockport Rocks! In partnership with Stockport County Community Trust, Marketing Stockport and Stockport Council.

There will be ten Award categories to recognise achievements of those who have gone above and beyond and all volunteers attending the event will be treated to a two-course meal and welcome drink.

We are looking for businesses who would like to show their appreciation for volunteers, and the voluntary sector in Stockport, by sponsoring an element of the event.

There are three sponsorship packages available, however we can tailor packages depending on your budget and needs.

This is a lovely opportunity to say thank you to Stockport's volunteers and help give them a celebration!
